### PAYROLL INQUIRIES

For regular payroll questions, please contact the Timekeeping Center at 1-866-245-5957.

### UNEMPLOYMENT & SUB PAY INFORMATION

Janesville Assembly is an auto Sub facility, meaning that you do not go on-line or call-in to file a Sub claim while collecting Wisconsin Unemployment Compensation (UC). This could show as an overpayment during an audit. After you exhaust your claims with Wisconsin Unemployment, is when you would be instructed to file with Sub-Pay.

Beware of the following: Be sure to save all Unemployment paper work, sometimes it is needed to process Sub checks. Also, be certain to save all pay stubs from Sub Pay, that way you can keep track if any weeks are missing. If you have outside earning from a part time or full time job, you will have to file a manual paper application for Sub Pay.

### CHILD CARE & PARENTING RESOURCE

The on-site UAW-GM Child Care Resource and Referral Consultant will be on-site and available to help you with your family needs and concerns until January 29, 2009. ## RESOURCES AVAILABLE TO DISLOCATED WORKERS

The Dept. of Workforce Development has scheduled dislocated worker orientation sessions for those affected by closures/ reductions related to the automotive industry. These sessions educate people on the resources and services available to them through the Workforce Investment Act (WIA). Attending a session is the first step in the WIA registration process, enabling you to receive training assistance or other supportive services.

The sessions listed below will be conducted at the Rock County Job Center, located 1900 Center Avenue. Also, the sessions are 'open' to anyone affected by the auto industry reductions (GM, Lear, LSI, etc.).

- Tuesday, January 6, 2009 at 10:00 a.m.
- Thursday, January 8, 2009 at 9:00 a.m.
- Wednesday, January 21, 2009 at 2:00 a.m.
- Friday, January 23, 2009 at 9:00 a.m.
- Tuesday, January 27, 2009 at 10:00 a.m.
- Thursday, January 29, 2009 at 2:00 p.m.

Please call one of the following to register for a session:
